

*Using Music to Close the Academic Gap
- The Atlantic
"Children's brains show evidence of faster
development when they are learning to play an
instrument."*

We offer Suzuki lessons at your school during the school day. Suzuki training includes a parent learning with their child, daily listening, and daily home practicing 20 minutes a day.

We offer Suzuki flute, violin or cello lessons.

Lessons are \$100 for "free lunch" students per school year, and \$250 payments for non free lunch students four times per year.

If you want to get Suzuki lessons at your school, fill out the mini form below, take a photo of this postcard and text it to (513) 544 - 6838, or bring it to your school office, or email the information below to ms.nadinecello@gmail.com.

Parent/Guardian Name _____

Student Name _____ Age _____
