

Budgeting Your Student's Fees

We know that with the back-to-school season, the multiple requests can be a little overwhelming- especially with multiple fees due to several different Kilgour groups. So here's a little cheat sheet from the PTA, designed to help you budget, give some explanation of the fees and help you keep track of what you paid when. Note that throughout the year, you may receive individual fliers or notices from your student's teacher for exact amounts and due dates for each fee. Additionally, some teachers may collect fees for other educational needs, such as magazine subscriptions. Please also **remember to sign up for Power School**. You can also sign up for a lunch account as well – this should have been mailed to you. Please call the school office if you need assistance.

If you've already paid some of your student's fees, **thank you** for helping us get off to a great start of the school year! Be sure to use this flier to keep track of your payments. *Please note that request fliers sent home are sent to ALL parents, regardless if you've paid your fees already or not.* No need for panic - if you are unsure if you've paid a certain fee, you can always double check with the School office or your teacher.
