We have our final restaurant fundraiser for this school year at Noodles in Hyde Park. Come out to Noodles for dinner that night and tell them you are from Kilgour and 25% of the restaurant's sales will be given to Kilgour. Mark your dinner calendars now for a night at Noodles.

## THANK YOU

A very special THANK YOU to Kilgour parent, Mark Severin, owner of Scale Creep. Mark very generously donated the Memory Books to this year's graduating class. THANKS, MARK!

## Field Day Thank You

Thank you to all the volunteers who helped make this year's Field Day so much fun. Field Day would not have happen without your help. Thank You!

## 2nd Annual Kilgour Summer Soccer Camp

May 31 - June 3 from 5:30-8:30pm at Armleder Park

If you would like your kids to continue improving the soccer skills that they developed during the season, Kilgour's 2nd Annual Summer Soccer Camp happens the week after the school year ends.

Jack is Back! Jack Hermans, a very well-known camp director, high school and college coach, and a member of the Ohio Soccer Hall of Fame, will be directing the camp again this year. He provided a great camp last year. We had fifty players attend. The kids loved him and had a terrific time. For registration forms go to [www.kilgoursports.org](http://www.kilgoursports.org) or grab one outside the office at school. Cost is the same as last year - \$65 - with a 10% discount for additional siblings. Contact Joe Hayden at 871-8710 with any questions.

## KSB Fun Adult Outing

Saturday, June 18 at 3pm

Sign-up forms can found on the KSB Web Site:

<http://goo.gl/TKIAN>.

Please send form and check to Rick Neff 5077 Shattuc Ave. 45208 by May 31st so we can get a good head count. This is a fun golf event for scratch golfers to beginners. Dinner only guests are welcome as well.

Golf is limited to 9 holes as to not intrude on the cookout dinner and parties that immediately follow. Dinner will be finished in time for the Great Gatherings Party at Blessing's. The Neff's deck will be open afterwards as well. Questions? contact Rick Neff at 513 497-1980 or [rfneff@fuse.net](mailto:rfneff@fuse.net) or Jeff Baur at [jbaur12@its.jnj.com](mailto:jbaur12@its.jnj.com)
